

EMPLOYABILITY ENHANCEMENT PROGRAMME

A Report

3rd October 2026

The poster features a central photograph of a man, Shubham Gole, standing behind a podium decorated with yellow and orange marigold garlands. He is pointing towards a large screen displaying a presentation titled 'Recruiters Focus'. The screen shows a table with columns for 'Headings', 'Issues', 'Solutions', and 'Left Side'. Above the photo, the text reads 'ST. WILFRED'S COLLEGE OF COMPUTER SCIENCES' and 'Employability Enhancement Programme'. Below the photo, the speaker's name 'SHUBHAM GOLE' and affiliation 'IIM BANGALORE' are listed, followed by the topic 'TOPIC - BEYOND AI - BUILDING SKILLS & RESUMES THAT MATTER'. The top of the poster includes logos for 'ST. WILFRED'S GROUP OF COLLEGES' and '25th YEAR OF EXCELLENCE IN EDUCATION'.

**TOPIC - BEYOND AI - BUILDING
SKILLS & RESUMES THAT MATTER**

Name of Event:	Beyond AI: Skills and Resumes that Matters!
Date(s) of Conduction:	3 rd October 2026
Resource Person:	Mr. Shubham Gole,
Designation:	Product Manager, Blackrock, IIM Bangalore
Class / Sem:	FYMCA & SYMCA
Staff Coordinator:	Ms. Riddhi Ambre
Student Coordinator/Committee:	Mr. Kalamuddin / Ms. Harshita Poojary
Students Attended	40

Objective of the event

The session “*Resumes and Skills that Matters*” was organized with the following objectives:

- To familiarize students with the core skills and technologies for placement.
- To provide a hands-on learning experience on Resume.
- To bridge the gap between academic learning and industry practices through an expert-led workshop.

- To enhance employability skills under the *Employability Enhancement Programme (EEP)* by introducing students to real-world applications and career pathways.

Description

St. Wilfred's College of Computer Science (SWCCS), invited Mr. Shubham Gole and successfully organized an insightful and interactive session on **Saturday, 3rd October 2026**, as part of the *Employability Enhancement Programme (EEP)*.

The session was conducted by Mr. Shubham Gole from **IIM Bangalore** and he discussed the resume structure with the students. The event featured expert-led discussions on *Skills, real-world applications, and industry career opportunities*, followed by a **hands-on workshop** that enabled students to practically explore **Resume and its importance in an interview**.

Dr Praveen Gupta from **CSMU**, HOD, Computer Science, Navi Mumbai graced the event and Felicitated the Mumbai University Toppers for their excellent results in semester 2.

Dr Shubhi Lall Agarwal Director SWCCS thanked all the students and guests and assured students to find more engaging sessions in EEP conducted every Saturday,

Ms. Harshita Poojary hosted the event and the events was organised by Kalam, Student of FYMCA and Aditya Hanwat and Stuti Upadhyay Students of SYMCA .

💡 Key Takeaways

- Gained a clear understanding of essential **soft skills** and their industry relevance.
- Acquired **hands-on experience** on resume and skills
- Strengthened awareness of **digital transformation** and its impact on employability.

Conclusion

The session was liked by students and they are looking for more of such sessions for placement purpose.
