Title	MOCK INTERVIEW – Industry Ready
Date	03 February 2024
Venue	St. Wilfred's College of Computer Sciences – Seminar Hall
Organized by	HOD and Training & Placement officer
Enrolled Students	44
Event Objective	To practice and refine interview skills by simulating a real interview environment, receiving constructive feedback, and improving responses to enhance performance in actual job interviews.
Event Summary	The objective behind arranging this for students was to help them get a better understanding of the particulars and procedures of an interview. The jury for the same consisted of 3 members which brings in amazing opportunities for students to explore the cultures of the world. More than 40 students registered for this event with full enthusiasm and energy. The event was coordinated by the student coordinators for the Soft Skills Development Committee. Progressively, all the participants were given a time slot for their interview, and accordingly the Mock Interview took place. After every interview, the participant was given feedback on their Resume and their interviewing skills including their confidence, presentation and pertaining to projects. After all the mock interviews were completed, the jury gave their decision and the best three interviewees were selected as winners.
