Teams design a dashboard (Tableau or Power BI) based on a given problem statement or theme, simulating a real-world tech project.

How to Play:
- Assign each team a topic (e.g., travel booking, social media, financial tracker).
- Teams brainstorm and sketch their dashboard.
- Each team presents their design, explaining how it would work and why they made certain choices.

Entry Fee: ₹50/team

Team Size: 2 members

Rules:
- Teams must base their dashboard on the assigned theme.
- No internet access allowed except for data visualization tools.
- Time limit: 1 hour to create and present the dashboard.
- Judging based on design, functionality, and explanation.
